

MANUFACTURED HOME RELOCATION QUICK GUIDE

- Before you move your manufactured home, you must first ensure taxes are paid in full.
- Is the home transferring ownership? If so, the title will need transferred through the Auditor and Title Offices.
- A Building/Zoning Permit must be obtained for the Village or Township to which the home is relocating.

- You will need a Relocation Permit from the Auditor's Office. The fee for this is \$5.00.
- A permit and installation inspection from the Ohio Division of Industrial Compliance must be secured. They can be reached at 614-734-6010, option four.
- If you will be moving via a State Highway, you will need to obtain a Manufactured Moving Permit through ODOT. You can contact ODOT at (614) 351-2300 or go online:  <https://www.transportation.ohio.gov/working/permits/special-hauling-permits/special-hauling-permits>
- If you will be travelling on county roads, please contact the Paulding County Engineer's Office at (419)399-2366.
- If you are moving to another county, be sure you register your mobile home with the County Auditor's Office.

Please read through the enclosed information to find out more about your rights and responsibilities as a Manufactured Home owner.
